Newberry, S.C. – May 8, 2018 – With Memorial Day right around the corner, Falcon Boats; the premium boat builder from Newberry S.C. is offering a patriotic themed Falcon Boats T-Shirt at a special sale price, with all profits to be donated to the USO to support active duty Military and their families.

Prior to the Bassmaster Classic at Lake Hartwell in March, Falcon Boats announced their partnership with Elite Series pro Rick Morris and his sponsor Leebeor Services and that organizations' support of active duty Military through donations to the USO. The special shirt features a US Flag Falcon Boats logo and will retail at a special price of \$10 through Memorial Day, May 28, 2018

Outside of the patriotic support of the US Military that citizens of the country display, the reason for Falcon Boats' support is much more personal. Falcon Boats was founded, and is run in part by people who answered the call to service, with family members who served prior to them, and whose family members currently serve. Tim DePriest, Co-Founder of Falcon Boats is a service veteran of the US Navy, and his son Tanner is currently serving as an active duty Marine overseas.

To DePriest, and his partners at Falcon Boats, doing their part to help enrich and support the lives of active duty Military is a no brainer. "I know what it is like to be out there serving, and to have the USO help give a feeling of support and familiarity is invaluable," said DePriest. "Our company would choose to support or troops anyway, but to know that we will be helping an organization that will be a part of helping my son Tanner find a sense of home during his service makes it all that more personal."

The T-Shirts, which feature the patriotic logo emblazoned on the front, and message of support for the troops on the back.
